Biggest Tax Write-offs for Small Businesses

Tax deductions are an essential way to minimize the amount of tax you have to pay, and good record keeping will ensure you get to keep those deductions if the IRS ever comes knocking.

Biggest Tax Write-offs for Small Businesses

1. Startup and Organization Expenses
2. Office Expenses, Technology, and Supplies
3. Home Office Deduction
4. Cell Phone and Cell Phone Service
5. Cost of Goods Sold
6. All Labor Costs
7. Business Mileage
8. Business Travel
9. Business Meals
10. Business Interest Expense
11. Retirement Contributions
12. Health Savings Contributions

Thank You!

I hope you found this checklist helpful.
Friendly reminder: it's always a good
idea to consult with a professional for
tax advice (especially since it's tax-
deductible).
